BLACK & WHITE

Vol. 2

When my longtime good friend Dennis Hof, owner-operator of the world famous legal brothel the Moonlite Bunny Ranch (www.BunnyRanch.com), which is featured on the long-running HBO reality TV series “Cathouse,” asked me to move to Carson City, Nevada to run his sister across-the-street hooker bawdy-house, the Love Ranch (www.LoveRanch.net), I didn’t need to be asked twice.

Although more than 20 years in the adult entertainment industry had “exposed” me to many facets of the X-biz—as photographer, magazine editor, paparazzi, director, producer, actor, PR agent, writer, ghost-writer, journalist, promoter, marketing director, and porn star dog-walker, running a whorehouse was something that had somehow eluded me.

34868

There is undeniable appeal created when Black & White collide in a firestorm of unadulterated sex, insatiable lust and hardcore passion. Perhaps it's the color differential of porcelain white skin, in comparison to the creamy chocolate color that helps get our juices flowing. If not that, then perhaps it's the notion of watching monster-sized sticks carving deep tunnels through pristine pink pussies that kicks us into high gear. Whatever the case may be, we can all agree that watching black stallions take on porn's most

beloved starlets is a taboo genre that many people can't get enough of.

Who better to bring this premiere genre of pornography to fruition than award-winning auteur, Greg Lansky? Redefining the way interracial pornography is created and displayed; Lansky masterfully mixes his high-end artistic vision with explosive IR offerings that are seriously changing the game. With top-shelf women, monster black cocks and plenty of inventive displays, this is true artisan porn in the making.

Today is no exception, as he's handpicked an impeccable cast of industry darlings, including Jillian Janson, Riley Reid and Black.com's exclusive model Dakota James for the second installment to his best-selling line, Black & White.

Concerning the IR niche he's created, Lansky illuminated, "I've always thought that the contrasting skin tones between light and dark was quite beautiful. After viewing the current IR product, I genuinely felt I could bring something new to this market. I've been successful with that. It worked. I didn't reinvent the wheel, here. What I did was create IR material on a very high-end level. It's all about solid execution, no matter the genre."

Hot with anticipation, the first scene starring Riley Reid and Dakota James is already underway. It begins with Riley telling her best friend Dakota about her hot new lover, a sensual black stud by the name of Rob Piper. "Could you hook me up?" Dakota charms with happy eyes, eager to get a taste of Rob's tender dark meat. As the sexy students reach Rob, Riley twirls her hair and contends, "She might be a little nervous, but I promise she'll warm up."

But, before giving themselves over to the handsome stud on a silver platter, the two girls lap up each other's pussies with outstretched tongues, getting each other good 'n gooey for the slippery ride ahead of them. "You wanna taste that big black cock, don't you?" Riley says, teasing her blonde bunny. Just then, Rob makes his way onto the scene and is ready to pummel and plow.

Being polite, Riley allows Dakota the first lick of Rob's yummy yardstick. After a few preliminary licks are dished out, Riley joins the orgasmic oralist for a double BJ session. At this point, both girls are running their tongues, lips and hands up either side of Rob's impressive rocket. With slurping sounds and plenty of sugary sweet saliva, these two ladies certainly have a mouthful.

From here, Riley jumps on Rob in pole position. While filling her puffy pussy with monster helpings of his black cock in cowgirl, Dakota scurries around and begins licking up the sex juices that are aptly collecting in Riley's asshole. "Oh my gosh, you're a dirty girl," Riley whimpers, reveling in the feel of Rob's cock up her pussy and Dakota's tongue up her bum.

When the trio transitions, the girls rearrange themselves into the sixty-nine position. Dakota takes the spot on top. Continuing to wet his whistle, Rob switches out between Riley warm mouth and Dakota's wet pussy. After several minute of swapping ensue, Rob unleashes his mocha froth in Dakota's pussy, allowing some of it to fall against Riley's open mouth!

Next, we discover that Ash Hollywood is getting down 'n dirty with her personal trainer, Flash Brown. Revealing her adoration for the BBC, Ash purrs, "I love black men with their panty-melting voices."

Just then, Flash appears and is ready to stretch this blonde beauty from the inside out. Demonstrating his alternative method of exercise, Flash begins by warming up Ash's lips with sultry kisses that fuse their mouths into one. Once Ash's red lips have been thoroughly sampled, she decides it's time to work out her mouth.

Falling to her knees, Ash pulls Flash's cock out and isn't too surprised when the weight of it comes crashing down on her. In fact, she fucking loves the visual. Soon, she's throwing back inch after inch of his hammer and is making a solid effort of wedging it between her pink tonsils. With watering eyes and slobber pooling from the corner of her lips, Ash does an expert job of keeping her mouth muscles in tip-top form.

As the dynamic duo make their way inside, Flash gently arranges Ash on her hands and knees in doggie position. Set against a stark white bed, the look of Flash's dark skin against the glowing sheets

creates an immediate and very appealing contrast. With his hands firmly pressed into the thick of her hips, Flash begins pumping Ash full of protein. As the camera angles in closer, we get an unobstructed view of the action and can see the way Ash's tight pussy has stretched in order to accommodate Flash's nightstick.

From here, Ash decides to take a more dominant lead by mounting her stallion's lap in reverse cowgirl position. By this point, the light of the day is pouring through the exposed wall of windows. Now, looking ethereal and angelic against the illuminated glow, Ash begins bucking and bouncing atop her stud, working her legs to near exhaustion. After more slit stretching has commenced, Flash yanks his cock out and anoints his client's pretty face with his homemade protein shake.

From here, we find Scarlet Red, a preppy-looking socialite, seducing Prince Yahshua into hardcore play. Once he begins feasting on her tasty advances, she shyly pulls away and remarks, "Well, you know I have a boyfriend."

Already worked up and hungry for a taste of Scarlet's pussy pie, Prince mans up and contends, "I don't give a fuck about your boyfriend." And, just like that, Prince stakes his claim on Scarlet.

After a few sensual kisses are exchanged, Scarlet squats before her Prince, uncoiling his cock down her neck, gagging all the while. After her flexible throat is better acclimated to the sheer size of his monster meat, Scarlet's mouth begins drooling uncontrollably, collecting down her natural chest. Looking up at him with grassy green eyes, Scarlet moans, "My boyfriend never does this to me."

At this point, it's time for Prince to lay down some punishment. He does so by contorting Scarlet on her hands and knees in a stretched out doggie arrangement that causes her butt to bloom. Again, the differential between their contrasting skin tones is blatantly obvious and extremely erotic, really upping the appeal of this particular pairing.

Once positioned behind her, Prince switches on the battery back, seemingly hidden inside of his body, and begins feverishly plowin' into Scarlet like a raging bull, causing the blonde beauty to ignite with chill bumps as she's pressed into the bed. Screaming and creaming, Scarlet is literally getting the best dick of her life. The moment she relaxes a bit, her asshole opens up and Prince aptly stuffs it with a finger.

Next, when on her back in a missionary spread, taking even more of Prince's pole than before, Scarlet looks him dead in the eye and purrs, "I'm creaming all over your cock." It's fucking awesome!

However hot, the real piece de resistance occurs in the end

when Jillian Janson invites Rob Piper over to her home to come play with her. Greeting him in a pair of black, ass-less tights and a crop top, Jillian has literally never looked hotter.

Jumping right into action, it's nothing short of breathtaking watching Jillian's beautiful face spring to life with a black cock hanging out of her mouth. Literally making out with his meat, Jillian offers it kisses, nibbles, strokes and some deep-throat action. After several minutes of intensive cocksucking, she looks up at Rob with her pale blue eyes and reveals, "I'm so horny. I want you to fuck me."

Just when we think Rob is going to lay down his pipe in her freshly shaven slit, Jillian gives us all a surprise by offering up her asshole instead, in what becomes the first interracial/anal scene of her career!

Now on her knees, being ridden dirty from the backside, Jillian sinks her claws into the white sheets until her knuckles turn pink. Keeping her happy with plenty of hip thrusts, Rob doesn't take things easy on this teenage sensation. Instead, he properly works her in, giving her a reason to remember his name. Taking his monster cock like a champ, we can clearly predict a solid career in the adult industry for this butt hungry beauty.

After her rectum is ravaged in several more arrangements, Jillian rests on her back and delights in watching Rob switch his cock from her pussy to her asshole, repeatedly. Feeling the tightness, warmth and differential of each, Rob decides to unload his chocolate milk inside of her pussy, giving us a wonderfully frothy cream pie finale.

Concluding here, on a stratospherically high note, it would be damn near impossible to top this Black & White masterpiece! Loved it! 🍷

*All Questions
Answered*

Girl parties are so much better than anything else on the planet. Why? Because there's always a simmering tension between women; will they laugh and giggle? Will they fight? Or, as these three babes have shown us, will they fuck? For Sandra, Vivien and Yasmine, the choice was a no-brainer. It's better to fuck than fight. It's better to eat cunt than call each other one. It's better to cum like crazy than leave in a huff. They chose wisely. 🍆

STUNT DRIVING, POLE RIDING, SLIT-SQUIRTING STARLET
TELLS YOU HOW YOU CAN GET IN HER PANTS AND WHAT
GETS HER OFF EVERY TIME!

DESTINY DIXON

34853

How did you get started in the adult industry?

A few of my friends did web-camming and liked it, so I decided to give it a shot. I was doing very well with it and started blowing up online. I guess others liked me too. From that point, I decided to put together my own website. Since I am very comfortable in front of the camera, I then moved into doing lesbian sex scenes. Eventually, I started having sex with men on camera as well.

Were you successful with web-camming?

There is lots of money to be made from web-camming, but you have to be diligent and stay on top of your game, just like anything else. You get out of it what you put in. There is a lot of competition and opportunity to be successful. You have to work hard at it though. Some days, you could make thousands and other days make nothing. Think about it, web-camming is all over the world and open for business 24/7.

Do you enjoy three-way sex?

Yes, I enjoy three-way sex. Actually, I have participated in many lesbian three-way scenes in my career. I've also enjoyed bringing people home in my personal life. I enjoy having my cake and eating it too.

Are you able to have squirting orgasms?

Yes, I am. One time, when I was doing a scene with a girlfriend, she got me to squirt all over her by violating my pussy with her fingers. It was really perverted. My squirt was stolen from me that day.

We understand that you are a pro-motorcycle stunt rider. Tell us about that.

This is true. I am a professional motorcycle stunt rider, which many people find shocking after looking at me. I've ridden street bikes for a living and have loved it.

How did you first become involved in that sport?

I used to go to drag strips with my dad. He was a total gearhead. We drove fast cars and just loved it. In time, I progressed into motorbikes.

Did you perform in local/national shows and events?

I used to participate in lots of competitions back in the day, but there aren't that many these days. Now, I just do stunts for shows to entertain the crowd.

Have you had any mainstream success with your stunt bike riding?

Well, it is quite difficult to get into mainstream... anything, especially when they discover you come from an adult industry background. I could've stunted for Megan Fox, but missed the casting call. That would've been cool.

Do you have other, less adrenaline-inducing hobbies?

I'm a pretty decent graphic designer and a web master. That's not only a hobby but something I've done professionally too. I enjoy it. I'm kind of a computer nerd, with a need for speed.

Is it true that if a person is a bad kisser, they are likely to be a bad lover too?

I'd say that is true. So many things can be learned by the way a person kisses. Actually, I can tell in a matter of seconds if a guy will be great in bed or not, or whether I want to get to know him better or not. A kiss can be blessing or a curse.

You have the sexiest physical shape- small waist, bubble butt, toned legs. How do you keep so fit?

Thank you. That is a nice compliment, although I train hard for my body. I combine weight training, CrossFit and eat a well-balanced diet that doesn't include alcohol. I also drink loads of water to keep myself hydrated.

Do you feel sex plays a role in maintaining a balanced and healthy lifestyle?

Absolutely! Sex is an awesome stress reliever and is good mentally, physically and spiritually. Sex also burns a ton of calories and totally counts as cardio if you've fucked good 'n hard.

Aside from looking great, which you obviously do, what do you think is the key to starlet success in the adult industry?

To be successful in the adult industry, you have to have more than just a pretty face and a hot body. You have to be professional, have a winning personality, be liked and put in a great scene. You must be the entire package. Being pretty isn't enough if you are unreliable, have a sour attitude and a horrible work ethic. You won't last long if that's what you are bringing to the table.

Ideally, how often would you have sex if you could?

Sex should be enjoyed at least once a day. If you don't have a partner, then masturbate. My body needs sex just as much as it needs three square meals. Sex after breakfast, lunch and dinner would be awesome.

When you finally decided to start performing boy/girl scenes, did your popularity skyrocket?

It certainly did! Actually, I started doing boy/girl scenes for my

website before doing it for movies. Choosing to do boy/girl was a game changer for me. My popularity changed. I gained a whole new crop of fans. My brand within the industry also changed too.

Do you enjoy having sex in public?

Sex in public, like fucking in a car, can be great, but I prefer fucking indoors. I prefer getting wild in the privacy of my own home.

Aside from car fucking, what other outdoor sexual encounters have you had?

I once fucked a guy in the desert after riding bikes all day. Although it felt good, it was too damn hot and very uncomfortable. There's also nowhere to clean yourself up afterwards.

Name something that's on your porno Bucket List.

I want to be DP'ed because I've never experienced that and think it would be awesome. Yeah, that is certainly something I'd like to check off of my Bucket List one day.

Dirty talk; yay or nay?

I love dirty talk. I'm a filthy talker. Having sex with a mute is a total turnoff. Gross.

Since you've now participated in plenty of boy/girl scenes, do you prefer them over lesbian scenes?

Well, that all depends on who I am fucking. I think I prefer boy/girl scenes, though. When you are having sex with a boy, you know they are into it. Now, when you are having sex with

and passionate and then build up until it becomes rough and wild sex. I enjoy being spanked, grabbed, and having my hair pulled. Also, this applies when I'm having sex with both men or women.

Do you have a favorite sexual position?

Since I am a very dominant lover and love to be in control, I enjoy being on top, riding the cock. It also depends on the guy's dick size too.

Well, we suppose it's just like stunting another type of motorbike, right?

Yeah, I guess so! (laughing)

What is your favorite way to masturbate?

I'm a clitoral stimulation type of girl, so I need a lot of clit action. I enjoy using my Hitachi wand or my fingers. Penetration is not really necessary when I'm masturbating. Rubbing my clit is what gets me off.

Can you also cum from G-Spot stimulation as well?

Yes, a man's cock could push my G-Spot and make me cum. I can cum from both the inside and the outside. I'm pretty lucky like that.

What type of chicks turn you on?

I'm really attracted to feminine, curvy girls. I love big tits, round asses and juicy lips. I'm also a sucker for a pretty face, who isn't? Samantha Saint and Summer Brielle would be good examples of the type of girls that turn me on. Sex with them is always hot.

a girl on camera, it can be hit or miss. Some girls are just gay for pay and are not really into lesbian sex at all. I hate those scenes. They are not fun to do at all. If you are not into girl sex, then please don't sign up for it.

Speaking of girls that are only gay for pay, is there such a thing as a No-List for female performers too?

Well, I know that I have a No-List for girls. I don't want to mix with girls that are not into other girls or girls where I have no idea about their private lives. I'm selective for good reasons.

What is your favorite type of sex?

Slow sensual sex is my favorite. I love for it to start off slow

What can a person do to get into your pants?

If you can make me laugh, you can pretty much do anything you want with me.

If you were to have sex right now, what would you be in the mood for?

Since I'm feeling a bit lazy today, I'd love to have sex in missionary position. I'll open my legs, watch him eat my pussy, and let him rub my inner thighs. After all that, I'll lay back and let him pound me for as long as he wants. Now, doesn't that sound amazing? 🍆

The Confessions of A Male Madam...

EDITOR'S NOTE:

Last year Adult Press Service (APS) founder and director Marc Medoff took on a first-of-a-kind adult industry journalistic assignment—accepting a position as the full-time general manager of Dennis Hof's World Famous Love Ranch LoveRanch.net, a legal brothel located in Carson City, Nevada. Over the course of a year "Madam Marc" lived in the whorehouse 24/7 in charge of hundreds of sex-mad prostitutes. A dream job cum true? Sure, except for one thing—a self-imposed Madam Marc strict policy: Hands (and all other body parts!) off the girls!

CLOSED DOORS AT A LEGAL USA BROTHEL! The Sex! The Sorrows!
The Shocking Truth! NOTHING HELD BACK! It’s Hookers Gone Wild!**

When my longtime good friend Dennis Hof, owner-operator of the world famous legal brothel the Moonlite Bunny Ranch (www.BunnyRanch.com), which is featured on the long-running HBO reality TV series “Cathouse,” asked me to move to Carson City, Nevada to run his sister across-the-street hooker bawdy-house, the Love Ranch (www.LoveRanch.net), I didn’t need to be asked twice.

Although more than 20 years in the adult entertainment industry had “exposed” me to many facets of the X-biz—as photographer, magazine editor, paparazzi, director, producer, actor, PR agent, writer, ghost-writer, journalist, promoter, marketing director, and porn star dog-walker, running a whorehouse was something that had somehow eluded me.

Oh, I’ve been in a lot of brothels (doing, um, ah, research of course!)—a lot. In the US and overseas, in fact I had been to the Bunny Ranch and Love Ranch facilities many times in the past—to take photos and write stories about the brothels for various adult magazines I worked for. But working there? Running the operation? Me? Huh?

The day I drove up to the Love Ranch from southern California (in a car packed to the roof with my belongings) was clear and sunny as I entered Carson City, the actual capital of Nevada. I had once lived in Las Vegas, but this was real small-town old-west stuff. Dorothy, you’re not in Los Angeles any more. But I couldn’t care less, I wasn’t moving here for the culture, I was moving here to become a male “Madam.”

As I pulled into the parking lot of the Love Ranch I felt I was ready for just about anything—after all, hadn’t two decades in the adult entertainment industry prepared me to deal with just about every type of woman, sexual situation, and XXX-type problem? Right? Uh, nope.

I actually happened to have arrived on a Thursday afternoon, when the Love Ranch has its weekly “Tea Party,” a

meeting of all the working girls in the house, as well as staff members. Information is exchanged, complaints aired, and attired in “traditional” English high-tea garb, cookies and hot beverages are shared.

I took a deep breath, combed what’s left of my hair, sucked in my gut and went in. The minute I walked through the front door I was attacked by a dog; not one of the girls (well, not yet anyway).

Okay, it was a very small dog, and it only licked me, but hey, I was on edge! And then came the girls; about 35 of them, all practically naked.

Seated tightly in a large room, along two sides of the brothel known as the “parlor,” were several dozen professional full-time prostitutes—legally licensed, medically certified, and thoroughly trained to suck, fuck and whatever else you might want, for a price. And I was to be their “madam,” a male madam, responsible for every aspect of running the bawdy-house. Hmm... I don’t recall them teaching this back in college.

Tea Party was harmless enough. Lots of laughs, sexual innuendo, and actual brothel issues resolved. And, oh yes, the dog kept nipping me (the canine is actually the personal pet of Madam Suzette, and a beloved non-human fixture at the Bunny Ranch).

I was introduced to the assemblage of scantily-clad hotties by Dennis who was running the meeting, and by the longtime madam of the across-the-street Bunny Ranch brothel—Madam Suzette. As I was being eyed curiously by the girls, I eyeballed them back and took a deep breath. This was going to be some job. Oh, yeah.

There have been very, very few male “madams” in the history of the US legal brothel industry. And when there have been males in charge, most often they have been called

sitting—I was basically in a zombie-like stupor— and smiled at me. “Hi, I’m Natasha!” “I’m Harmony!” “I’m Chloe!” It took me a few minutes to remember what my name was (all that perfume and naked flesh you know), but they beat me to it. “Are you our new Madam?” one chirped sweetly. “Uh, er, ah, I guess I am,” I stupidly blurted out. “Madam Marc!” I

“general managers,” although the roles of both titles are exactly the same.

Of course the fact is that there are hardly any legal brothels at all anywhere in the US. Nevada is the only state in the US to allow legal prostitution (since the mid-19th century back in the old gold mining days), which is sanctioned on a county-by-county basis. Currently eight of 16 counties in Nevada allow regulated prostitution, with about 28 or so brothels in operation. Despite the common perception, places like Las Vegas and Reno outlaw prostitution—it is mostly in rural areas the legal brothels exist.

Several hundred card-carrying hookers—all locally licensed by the sheriff’s department (wanted mass murderers need not apply), medically certified weekly via in-house medical exams by real MDs, and screened individually by brothel staff (in some counties you have to be at least 21 to hook, in others the minimum age is 18)—are working at any given time in Nevada.

After Tea Party broke up (it can last an hour, more or less) the Love Ranch went back to “normal,” some girls went to their rooms (each girl either has a private room, or shares with one other), others remained in the parlor (the main public area of the brothel where customers socialize with the girls, and have access to the full bar in front), and a few wandered over to where I was

was quickly crowned by the mini-chorus of the three ladies. But before I had the chance to let that settle in, I was saved by the bell, or in the case of the Love Ranch brothel, “the buzzer.”

It was the first time, I heard “the buzzer,” but it would only be the first of thousands more times, so many so I would be hearing them in my sleep—literally.

At the sound of the buzzer—a button pressed by the brothel “hostess” who is stationed 24/7 at the Love Ranch entrance to welcome visitors—there is an instantaneous mad dash of

female activity. The girls have just a few minutes to don their heels, fluff their hair, get their tits organized (no nudity in the line-ups), and take their place in the legendary brothel “line-up,” where all the girls in the house stand in a long line to be checked out by the customer, and introduce themselves one-by-one; “I’m Jasmine!”, “I’m Kitten”, “I’m Cherry!” And so on down the “line.”

The girls stand, pose, smile, and act seductively, until one is selected (or two or three...) and off the gentleman (or lady, or midget, or....) goes on a brothel “tour,” where one can see the facility if they want, but is mainly meant to make a beeline for the girl’s room to discuss “business.”

All legal brothel babes in Nevada are classified as independent contractors, and there are no set prices—each girl makes her own, and they can change them any time. Come at the right time of the month (when her bills are due) and be a good negotiator, and you could get a fine piece of ass on the cheap. Other days/nights? Be prepared to pay... through the penis that is.

But it’s all good. As customers come and go dozens of girls are lounging in the parlor, flirting with the men, strip-dancing to the entertainment of all, and with the ever-busy bar keeping everyone nice and loose, a great time is had by all. In fact, many customers come to the Love Ranch just to drink, chat and play around with the girls in the parlor (there is no admission fee or minimum), without ever booking a full-fledged “party” (the brothel-term for an in-private sexual encounter).

“This is a friendly place,” intones Cathy, one of the four 12-

hour shift supervisors I am introduced to, “We have a good reputation for having very down-to-earth ladies, very casual and friendly, men come here and they don’t feel hassled, hustled or intimidated. We have a lot of regulars.”

I am shown to my office—two actually, one in the main booking area, where the girls actually register their parties, and a larger one down a few steps next to the dining/relaxing/TV watching private room set aside for the girls and staff. It’s a nice set-up, and momentarily I felt up to the task. Silly me. As I walked through to my desk I hadn’t yet sat down when I had a gaggle of Love Ranch Lovers (as we like to call them) at my door.

“Madam Marc, my pussy hurts!”

“Madam Marc, I’m horny, I need cock!”

“Madam Marc, can you come to my room, I want to show you something...”

Oh man. What had I gotten myself into?

(To find out, stay tuned next time, and EVERY time for the next

chapter of “The Confessions of a Male Madam”...EXCLUSIVELY in GALLERY!)

What would make someone quit one of the most lucrative employment sectors in the world? Of course, cash and gash rule the world, so maybe Miss Vain's jump from one career to another was more of a lateral move than anything else. Aah, philosophize all you want; the proof is in the pussy! As Veronica crams her clam, you can see why she didn't want to be cooped up in some boring stock or tech firm all day. Not when you've got a pussy begging to be crammed and creamed. Thanks, Veronica! BANGING BEAUTIES ⚡⚡⚡⚡

(Mike Adriano Media/Evil Angel) STARRING: Anikka Albrite, Anna Morna, Keisha Grey, Destiny Dixon.
DIRECTOR: Mike Adriano

Director/performer Mike Adriano separates the wheat from the chafe in this explosive offering that showcases him plowing through top starlets like a Kansas grain farmer. The effects really leave these beauties BANGED!

The movie explodes into action as Mike eats out Anikka Albrite's juicy holes until she's good 'n gooey. Later still, he fucks her up the ass in five hot positions before stroking off in a glass cup. Bottoms up!

Anna Morna continues the action by twerking her butt up and down. Afterwards, Mike stuffs a small camera inside her pussy and a toy up her ass. Next, after stuffing her pussy full in the usual positions, he retackles her in the cowgirls and

mish before unleashing his frothy load against her thighs. Nice shot!

From here, we find Mike pouring maple syrup over Keisha Grey's fabulous titties and fingering her asshole before stuffing it with a banana. While all of this is taking place, he also places a speculum in her pussy. After all the parlor tricks end, he dips into her pussy, churning out plenty of beaver butta'.

Destiny Dixon ends the production on an incredibly high note by shaking her ass and showing off her sexy feet to the camera. After that, she feverishly gobbles his cock and takes a powerful pussy pounding before drinking his cum out of a champagne flute.

BARBARELLA XXX: AN AXEL BRAUN PARODY ⚡⚡⚡⚡

(Wicked Comix) STARRING: Asa Akira, Chanell Heart, Rachael Madori, Tera Patrick (non-sex). DIRECTOR: Axel Braun

Tasked with retrieving a mad scientist, Durand-Durand, and his Positronic Ray, *Barbarella XXX* is on a mission to save the universe. With cosmic collisions, sexy space creatures and the insatiability of an evil tyrant, who better to bring this campy, sci-fi parody to life than porn extraordinaire, Axel Braun? Igniting in the titular role that propelled Jane Fonda into superstardom, Riley Steele (Barbarella) and crew really set the stratosphere ablaze!

The movie catapults into action when Riley's mission is eclipsed by a crash landing. Soon, Riley is plowing through two space invaders, plugging her gorgeous face and pussy with each, in exchange for aircraft repair.

Next, after being bound to a post, Riley encounters Alec

Knight, a gruesome Wolfman who agrees to fix her spaceship... for a price. Agreeing to his terms, Riley parks herself on the stems of her heels, literally choking herself on his space nuts. Hot!

Later still, Riley enters Asa Akira's (The Great Tyrant) Chamber of Dreams and watches Kurt Lockwood spear his award-winning cock through Chanell Heart's chocolaty center. With explosive chemistry and plenty of wet pussy, this sexy scene is the hottest commodity on this side of the Milky Way.

Finally, as a pivotal plot twist unfolds, Riley and Asa attack each other at will, delivering one of the hottest lesbian encounters ever reviewed, thus ending this space adventure with a boom and a bang!

LESBIAN TOUCH 2 ⚡⚡⚡⚡

(Girlfriends Films) STARRING: Bree Daniels, Samantha Rone, Ariana Marie, Jenna J. Ross, Chanel Preston, Destiny Dixon, Kortney Kane, Elle Alexander, Vanessa Veracruz, Sara Luvv. DIRECTOR: Tammy Sands

Delivering premiere erotica, nine of porn's most beautiful starlets come together in a lipstick lesbian extravaganza that is handcrafted by the artistic eye of director/photographer, Tammy Sands. Filled with firm tits, full lips and plenty of sucked on clits, you'll certainly love all the sugar inside!

Although every couple featured here is beautiful, the real draw of this production is watching Elle Alexander worship Vanessa Veracruz's beautiful body from behind. This gives way to deep clitoral action, with each lovely lady literally eating her way to an explosive climax.

Another notable encounter occurs when Chanel Preston, Kortney Kane and Destiny Dixon get down and dirty in a hot

tub. In time, Destiny and Kortney suck on Chanel's tits. Later still, Chanel takes a seat on Destiny's beautiful face, rubbing her pussy toward a frothy finale. Applause!

Moving forward, we find Bree Daniels and Samantha Rone waking up in the nude. After some morning banter, Samantha grinds her pussy on Bree's leg before connecting with her wet wanton. In time, Bree also takes the lead, using her fingers to get her stunning playmate off.

Ariana Marie and Jenna J. Ross also contribute a memorable scene when dressed in sexy lingerie. Once inside, it's pussy galore for the lusty lovers, ending with sticky faces and plumped pussies.

SCHOOLGIRL P.O.V. 11 ⚡⚡⚡⚡

(New Sensations) STARRING: Jillian Janson, Molly Jane, Katerina Kay, Aria Alexander. DIRECTOR: Uncredited

Four schoolgirls get fucked silly when this institute of higher learning offers its audience a true point-of-view experience. With fresh faces and eager pussies, each girl does their part to make the grade, earning an A all the way!

With killer curves and a slutty disposition, Jillian Janson stands alone. While taking a vaginal pounding from Chad White, Jillian works through several sex configurations, using her stellar pussy to keep her on top of the Dean's List when bent over in doggie position.

Another sexpot earning high marks for her sexual excellence is Molly Jane. Quickly moving up the ranks, she donates plenty of pussy to Bruce Venture. Looking downright delicious,

especially in cowgirl, our love affair with Molly only intensifies the minute she begins sucking cock like a varsity vixen.

In the next scene, Katerina Kay shows off her pretty pussy and pert nipples when masturbating her honey hole for Xander Corvus. Once she's finished diddling her middle, he plows through her sophomore slit in a myriad of scorching positions until her cunt reddens and swells to the size of a cherry. Sweet!

In the end, Aria Alexander brings the schoolhouse down alongside Jordan Ash. Demonstrating powerful fucking skills and a deep-dish pussy, Aria exudes with erotic energy, offering Jordan a ride he won't soon be forgetting.

Capri Cavanni

Muff Magic

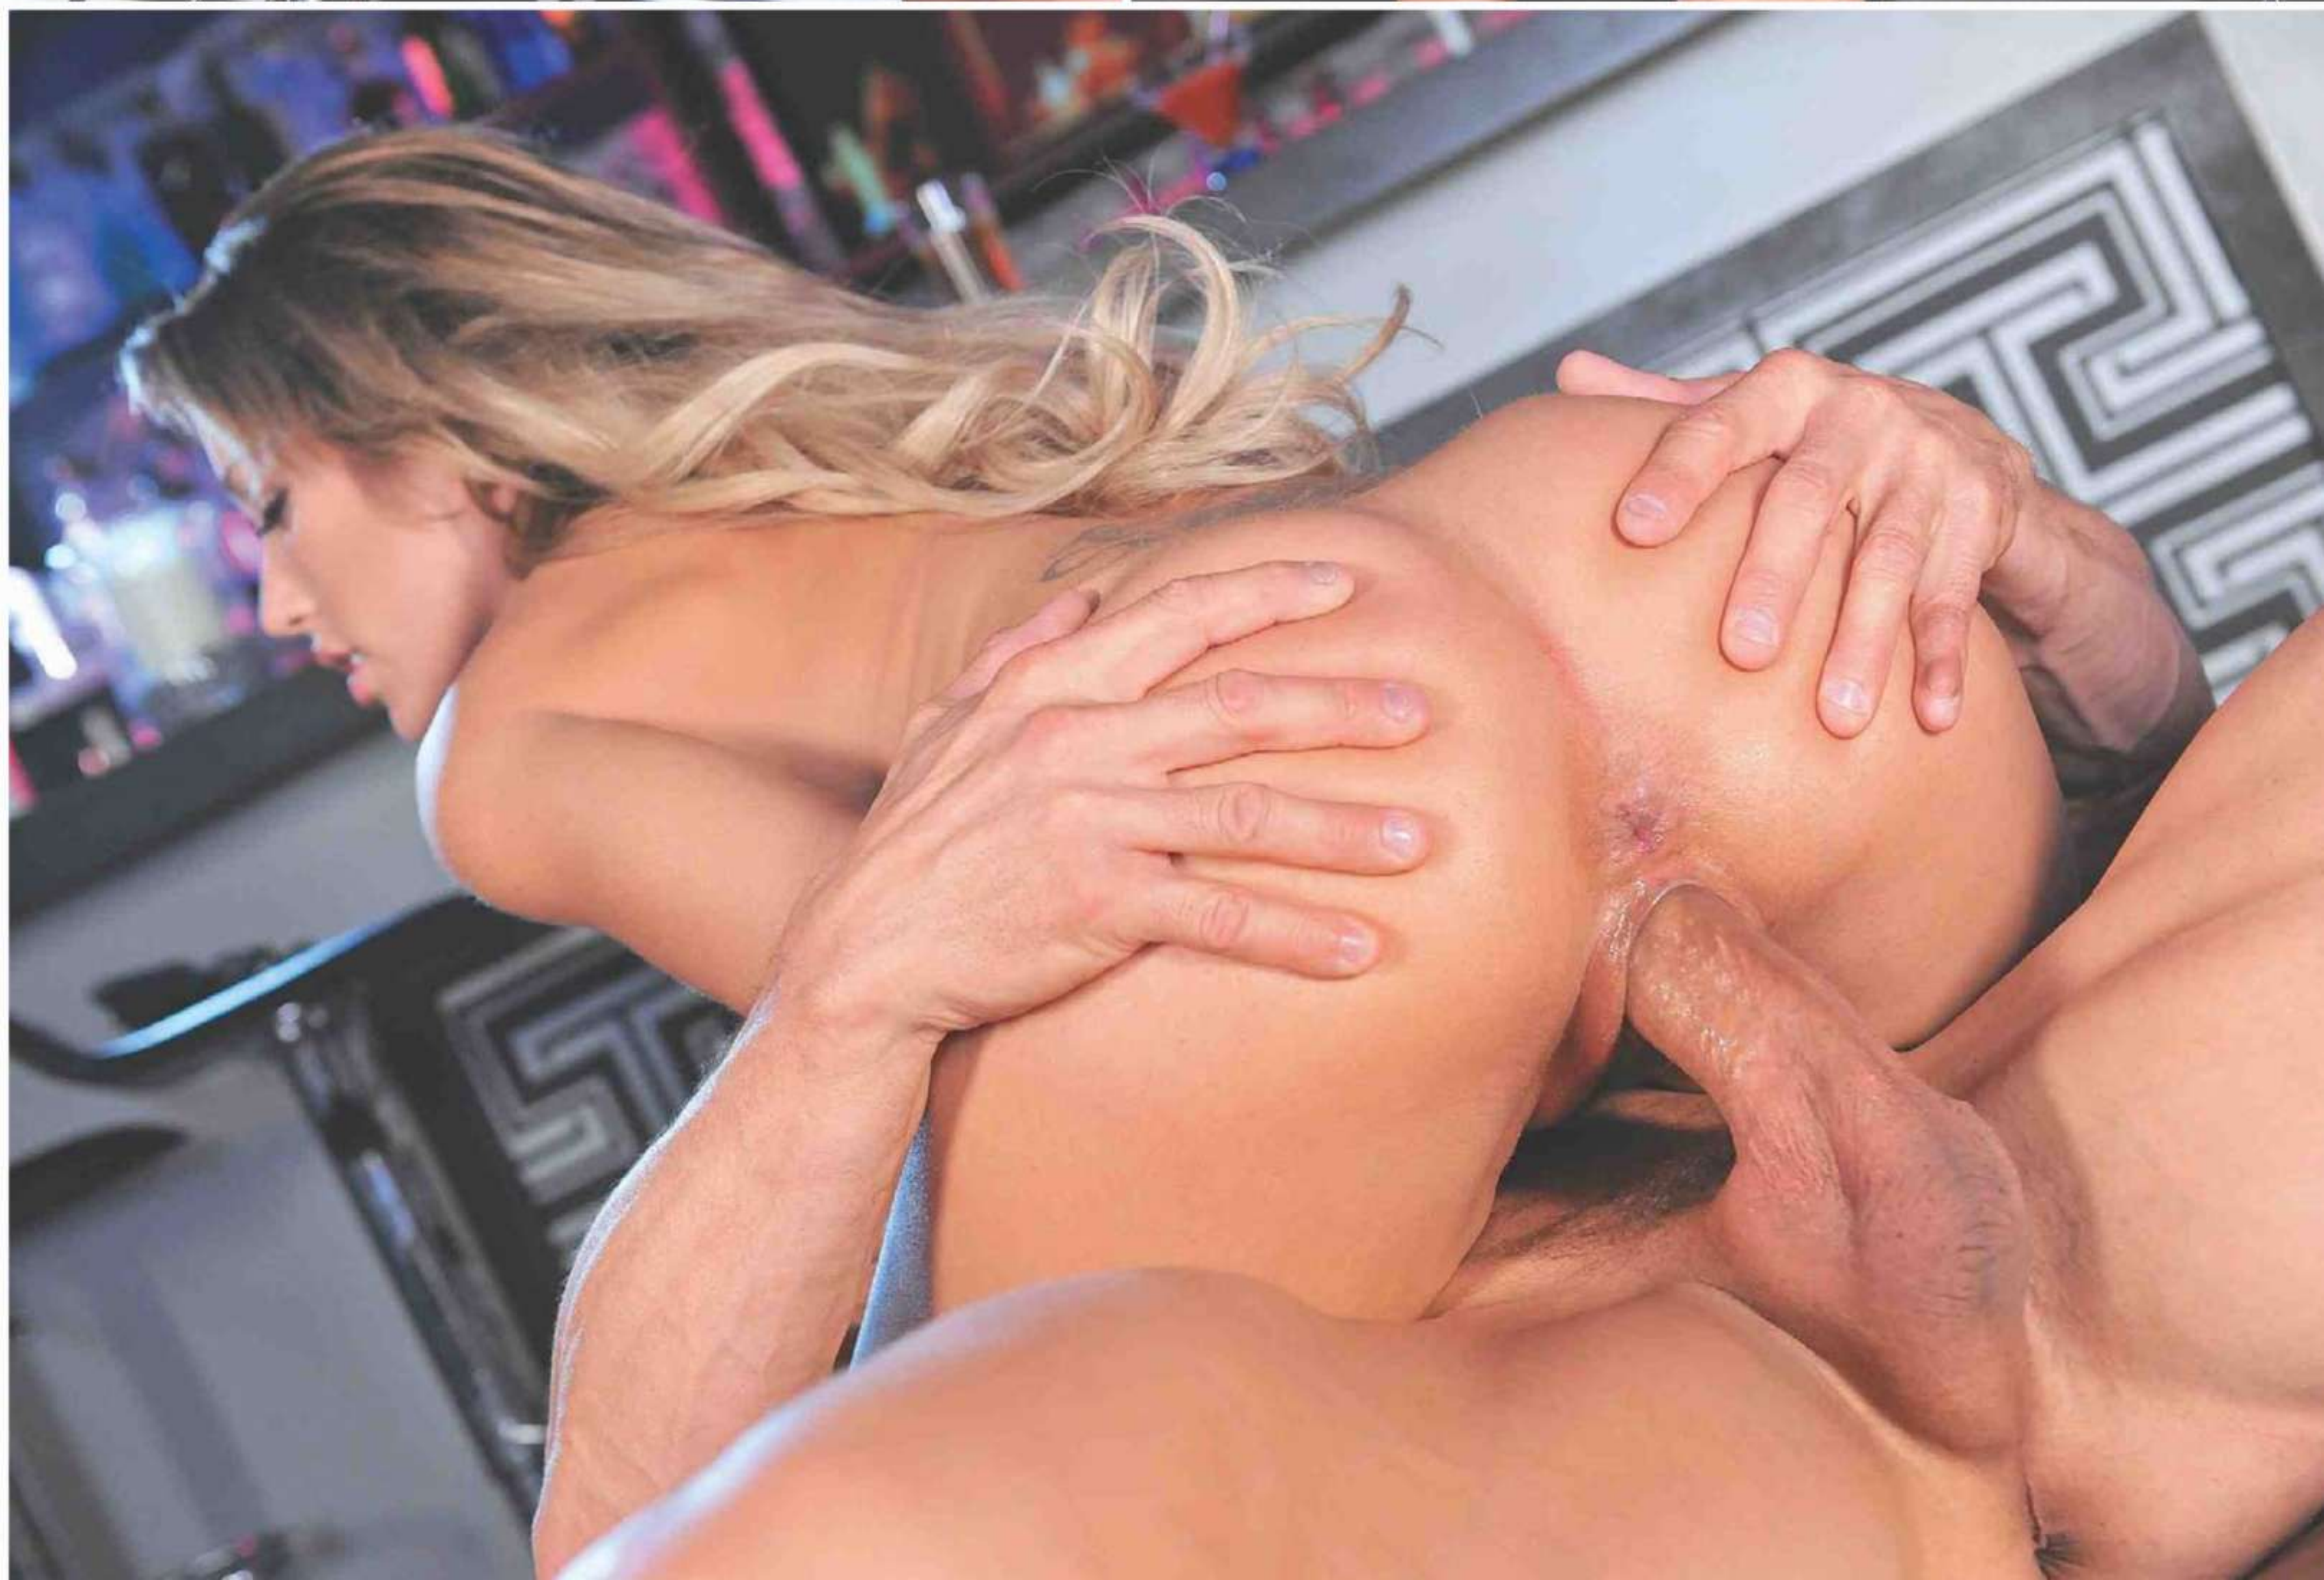

Pick-up lines are so fucking 1970s it's ridiculous. So when a guy that might even remotely interest Capri siddles up and offers up a bullshit line, she knows how to take the pressure off. Magic. "Want to see me make your cock disappear?" she asks, and just like that, they're off to the races. Capri takes the meat as deep as she can, riding every inch. Then, when it's time to cum, she opens wide and gets a roadmap of jizz all over her twat, tummy and tits. See? It's all magic! 🍆

Kristal Rush

***Punch The Clock,
Suck The Cock***

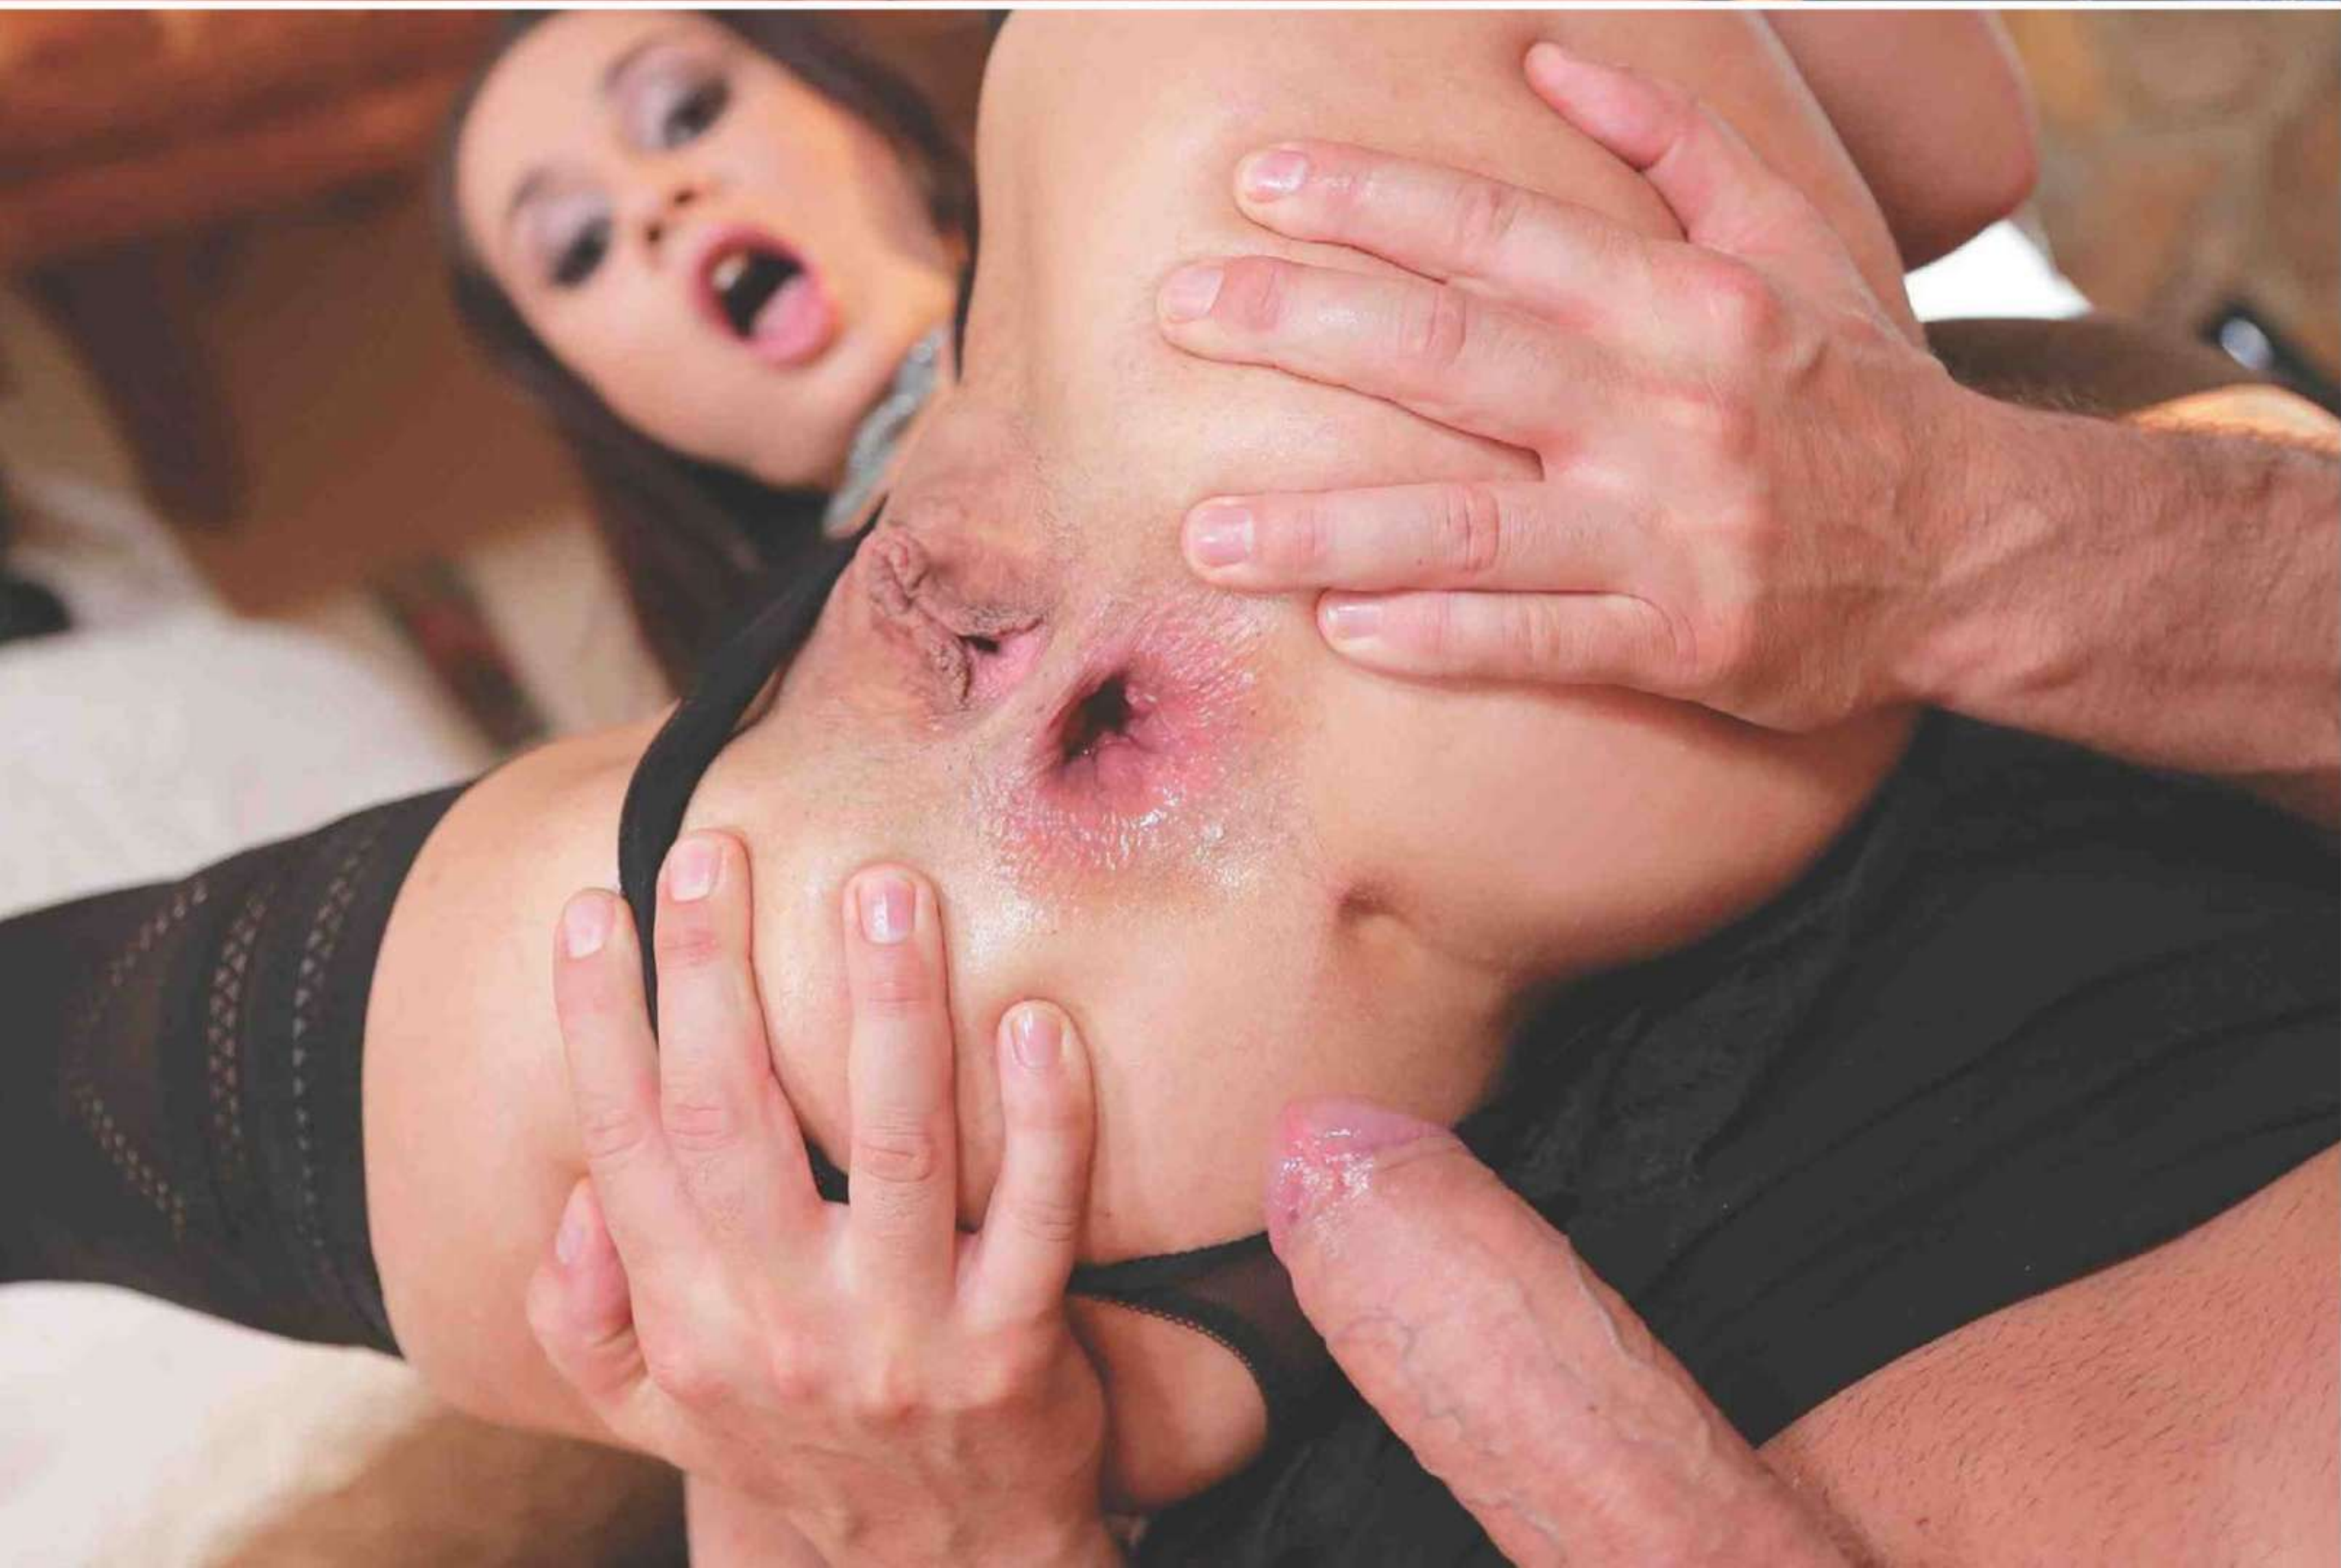

Not every girl will find herself in the position to fuck two cocks at once. At least not on a daily basis. For Kristal, taking two dicks at a time is like the standard 9-to-5 you and I put in. With her cunt overstuffed and her asshole stretched wide and crammed with meat, she's putting in a little overtime before the weekend! To make things right, she accepts a double blast of nut butter and that's when she calls it a day. See you next week, babe! 🍆

Spencer Scott

Wank-Worthy Work Of Art

Throughout history, artists have tried to capture the inherent beauty of the female form. To all painters, sculptors, and stick-figure drawing masters; take a look at pure perfection. Spencer Scott is by far the most beautiful model and muse for any artistic endeavor. With her beautiful eyes, luscious curves and sweet tight slit, there's no greater specimen. Perfection is attainable. Take a look for yourself. 🍆
